

GOALS

- (1) Discuss recent data
- (2) Identify current hot topics
- (3) Develop possible joint projects
- (4) Promote PhD and PostDoc training

ATTENDEES

External participants:

- Patrizia Bisiacchi (Padua, Italy)
- Valeria Camos (Fribourg, CH)
- Giorgia Cona (Padua, Italy)
- Vanessa Loiaza (Fribourg, CH)
- Vincenza Tarantino (Padua, Italy)
- Céline Souchay (Dijon, France)
- Erika Borella (Padua, Italy)
- Rebecca Charlton (London, UK)
- David Bunce (Leeds, UK)
- Judi Ellis (Reading, UK)

University of Geneva:

- Pierre Barrouliet
- Anik de Ribaupierre
- Christian Chicherio
- Michel Oris
- Nathalie Mella
- Christina Burkard
- Olivier Desrichard
- Matthias Kliegel
- Katharina Schnitzspahn
- Alexandra Hering
- Andreas Ihle
- Prune Lagner
- Alessandra Cantarella

FRIDAY, 08.11.2013 (Geneva, UniMail, Room M4193)

Morning (10:00): Special event: PhD Thesis Defense

Andreas Ihle:
Adult age differences in prospective memory performance : Exploring the age prospective memory paradox

Committee:
Matthias Kliegel, directeur, FPSE, Université de Genève
Paolo Ghisletta, FPSE, Université de Genève
David Sander, FPSE, Université de Genève
David Bunce, University of Leeds, UK

FRIDAY, 08.11.2013 (Geneva, UniMail, Room M3341)

Afternoon (start at 14:30)

14:30-15:30:
-David Bunce: Neurocognitive predictors of falls in older persons

-Coffee break-

16:00 - 17:00
-Vanessa Loiaza: Age-Related Change and Invariance in Working Memory Encoding Mechanisms

Evening

Wine tasting at "Clé de Sol" in Satigny (19:00)
Followed by dinner in Satigny

SATURDAY, 09.11.2013 (Parc Pré Vert du Signal de Bougy)

(for information concerning the center :
<http://signaldebougy.ch/reseignements/infos-de-contact>)

Morning (start at 10:00)

10:00-12:00
-Matthias Kliegel: Prospective memory in aging: A multiprocess approach
-Judi Ellis: Forming implementation intentions in emotion regulation tasks
-Lunch-

Afternoon (start at 14:00)

14:00-16:00
-Christina Burkard : Improving goal directed behaviour in aging with implementation intentions?
-Erika Borella: Working Memory training in older adults: does the nature of the training task influence the training gains?
-Coffee break-

16:30-17:30

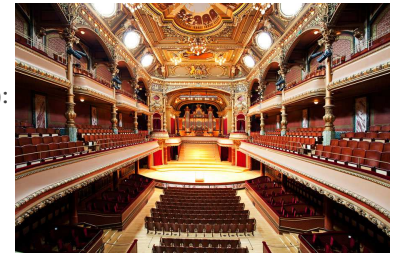

-Michel Oris: Cognitive and motivational dimensions of vulnerability and resilience in old age: A longitudinal study

Evening

Dinner

Concert at the Victoria Hall (20:30):

Orchestre de Ribaupierre
Chœur Symphonique de Vevey
Chœur A Cappella
Chœur Scala

SUNDAY, 10.11.2013 (Parc Pré Vert du Signal de Bougy)

Morning (10:00-12:00):

-Patrizia Bisiacchi: Neural basis of executive functions and time processing in aging
-Prune Lagner: Working memory in old age: Effects of processing time and emotional interference
-Lunch-

Afternoon (13:30-15:30)

Integrative discussion and possible collaborations

How to find Uni MAIL...

Address

Faculté de Psychologie et des Sciences de l'éducation
40, Boulevard du Pont d'Arve
CH-1211 Genève 4

Public transport

From the airport:
Train to Gare Cornavin, then Tram 15 (Direction : Palettes)
Stop «Uni-Mail»

From Gare Cornavin:
Tram 15 (Direction : Palettes)
Stop «Uni-Mail»
